

IMMUNE

A SUPPLEMENT TO SUPPORT HEALTHY IMMUNE SYSTEM FUNCTION*

Did You Know...

Supporting your immune system is a year-round job. Through extensive research and clinical studies, Oleuropein, the active extract found in Olive Leaf, was found to be effective against a broad spectrum of unwanted waste and materials.* Additionally, Oleuropein may support immune system response and aid in detoxification.* HealthSource Immune is formulated with Olive Leaf Extract to work directly against unwanted materials by stimulating your own protective cells (phagocytes) to ingest them without suppressing the immune system or damaging the body's beneficial flora.*

The HealthSource Difference

HealthSource Immune is standardized to yield 20% Oleuropein, the active ingredient in Olive Leaf Extract. Our proprietary blend is vegetarian.

FEATURES

- Olive Leaf Extract*
- Contains bioflavonoids such as Rutin
- Contains additional synergistic ingredients
- Contains no Echinacea or Goldenseal, which should not be used long-term*

BENEFITS

- Can be used daily to support healthy immune function*
- Supports healthy detoxification*
- Can support reduction of oxidative stress*
